"The only requirement for membership in our friendship is the desire to be in the relationship combined with the willingness to make it work."*

*This is a rephrasing of Tradition Three for use in relationships.

Tradition Three: *The only requirement for membership in CoDA is a desire for healthy and loving relationships.*

- ✓ **Do you place obstacles between others and yourself?**
- ✓ **Are you willing to do what's required to be a full participant in each of your relationships?**

Let's apply the Twelve Traditions of CoDA to our relationships using *The Twelve-Piece Relationship Toolkit* booklet. Meeting copies available.
